Great is the difference between Ave and Eve

Eve lost us God and Heaven, and Ave restored them to us; which is why, my friends,
there is great difference between Ave and Eve

Eve led us into the Devil's power, Ave released us; and for this reason *there is great difference...*

Eve lost us God's love and favour, Ave gave them back to us; and so *there is great difference...*

Eve locked us out of Heaven, but Mary broke its gates with Ave.
Great is the difference between Ave and Eve.
