Ave Maria

*Full of grace and God's love
help us, my Lady*

Holy Mary, if it so pleases you,
as all good comes from you
and your Son will always do
your will for you

And as God is with you
help us who are your faithful
and make Him take us as His
so that we no longer have to fear him.

You are blessed among all
other women. because
you bore Jesus Christ, and so
where it is needful

be our advocate, as truly
the fruit of your womb is blessed;
and as you sit beside Him
plead for us in our hour of need.

Make haste, my Lady, to save us
as for you God will willingly forgive
the sinner a thousand times
for a thousand sins.
