Notice to Institutional Members for the Year 2018

The subscription to the Society for 2018 is **£30.00** or **US\$60.00**. If your institution pays through an agent, no further action concerning the subscription is necessary. For all other institutions an invoice is enclosed with this notice. If your institution is not intending to renew its subscription for 2018, please inform the Membership Secretary immediately.

The dollar rate includes a sum to cover bank charges for handling foreign currency. Any American institution may pay £30.00 in sterling, but **all bank charges must be carried by the member**.

In consideration of payment of the annual subscription, institutional members are entitled to take delivery of one copy of each volume of the Society's *Original Series* published during that year.

Volumes for 2018 are likely to be:

- OS 351. *A Middle English Translation from Petrarch's Secretum*, ed. Edward Wilson, completed and with an introduction by Daniel Wakelin.
- OS 352. *The Glosed Prose Psalter in Oxford, Bodleian Library MS Bodley 554*, ed. Michael Kuczynski.

From time to time the Society may publish further volumes in its *Supplementary Series*. This consists exclusively of occasional, individually priced volumes. They do not fall within the annual subscription entitlement, nor is it possible to subscribe separately to this series, whether on an annual basis or otherwise. There will not be a volume in the *Supplementary Series* in 2018.
