Michael Pazianas, MD

BIBLIOGRAPHY

Research Publications (peer reviewed)

Bax BE, Shankar VS, Bax CMR, Alam ASMT, Zara SJ, Pazianas M, Huang CL-H, Zaidi M. Functional consequences of the interaction of Ni\(^{2+}\) with the osteoclast Ca\(^{2+}\) receptor. Experimental Physiology 1993; 78: 517-530

Pazianas M, Adebanjo OA, Shankar VS, James SY, Colston KW, Maxwell JD, Zaidi M. Extracellular cation sensing by the enterocytes: prediction of a novel divalent cation “receptor”. Biochemical & Biophysical Research Communications 1995; 210: 948-953

Paton NIJ, Macallan DC, Griffin GE, Pazianas M. Bone mineral density in patients with HIV infection. Calcified Tissue International 1997; 61: 30-32

Pazianas M and Zaidi M. *Two underlying diseases causing hypercalcaemia?* Nephrology Dialysis Transplantation 2002; 17: 1141-1152

Pazianas M, Epstein S, Zaidi M. *Evaluating the efficacy of bisphosphonates.* Reviews on Recent Clinical Trials. 2009;4:122-30

Pazianas M, Compston J, Huang CL-H. *Atrial fibrillation and bisphosphonate therapy.* JBMR 2010;25:2-10 (Perspective - Invited article)

Pazianas M. *Association between the use of serotonin receptor 2A-blocking antidepressants and joint disorders.* Arthritis Care & Research 2010; 62(6):902

Prieto-Alhambra P, Judge A, Pazianas M. *High-dose vitamin D supplementation and suppression of the renin-angiotensin system: an alternative explanation for the observed increase in falls rate.* JAMA 2010; 304(8):854-857

Pazianas M, Abrahamsen B, Eiken PA, Eastell R, Russell RGG. Reduced colon cancer incidence and mortality in postmenopausal women treated with an oral bisphosphonate - Danish National Register Based Cohort Study. The Lancet - Under Consideration.

**Editorials**

Colston K, Pazianas M. *Primary hyperparathyroidism and 1,25-dihydroxyvitamin D.* Lancet 1991;337:768-769

**Chapters**

Osteoporosis Due to Hormonal Withdrawal: Common Mistakes. Chapter 22.

Osteomalacia: A cause of Bisphosphonate Failure. Chapter 23.

Unusual manifestations of Paget’s Disease of Bone. Chapter 24.

Osteoporosis in Pictures. A comprehensive presentation of the disease in pictures:
