Smith & Jones + Day of the Clown

Thursday 23rd January, 8pm, Seminar Room, Corpus Christi College

We start 2020 by going far back, to the nostalgic year of... 2007. The Doctor meets a young medical student, Martha Jones, as they wind up surrounded by a platoon of Judoon on the moon! Can they escape both their brutal methods, as well as a killer on the loose, in *Smith and Jones*? We follow this with 2008's *Day of the Clown* from The Sarah Jane Adventures, featuring Series 12 cast Anjali Mohindra and Bradley Walsh. Just after losing Maria to the US, Sarah Jane, Luke and Clyde face the most terrifying creatures the Whoniverse has to offer – clowns.

Happy birthday! On his 10-year anniversary, we revisit one of the 11th Doctor's most beloved episodes, as well as one of his more over-looked. *Vincent and the Doctor* sees the Doctor and Amy meet the famous painter, and battle a terror from outer space, as well as troubles that stem from somewhere all-too-human. Following this is the Doctor, Amy and Rory's visit to the Wild West, in *A Town Called Mercy*. Haunted by the mysterious Gunslinger, can the Doctor save their metaphorical souls without losing his own?

Time of the Doctor with special guest Mike Tucker

Thursday 13th February, 8pm, Seminar Room, Corpus Christi College

This week, we're hosting BAFTA-winning special effects artist Mike Tucker, who has worked on Doctor Who since the 1980's! By his choice, we're watching *The Time of the Doctor*, the swansong of the 11th Doctor as he fights to save both the town of Christmas and his own people, as a showcase of the effects work of the Model Unit. We'll follow this with an interview, so if you've ever wanted to know/ask about how the Special Effects are put together, now's the time to find out.

Episode 8

Sunday 16th February, 7:10pm, Lecture Theatre, Mansfield College

Come watch episode 8 of the new series with us live on a big screen!

WEEK

The Five Doctors + The Five-ish Doctors

We try something new for Fifth Week, as we move to ****Tuesday**** to watch the 20th anniversary special *The Five Doctors*, as well as its 'follow-up', 2013's *The Five(ish) Doctors Reboot*. Witness as Doctors 1, 2, 3 and 5 struggle to escape Gallifrey's Death Zone, filled with their most deadly enemies, as a conspiracy threatens to overthrow Time Lord society. Then, witness as actors Peter Davison, Colin Baker and Sylvester McCoy attempt to escape irrelevance and find a role in the 50th anniversary special, *The Day of the Doctor*.

GEEK QUIZ!!

Thursday 20th February, 8pm, TBC

In the legendary Geek Quiz, members of Oxford's geekiest societies get together to battle it out for the crown of "team who won that term". If you can write a round not entirely related to Doctor Who, bring it along. Please ensure your round is visual – make a PowerPoint with each question displayed on a different slide. Our society usually divides up into a few different teams – come along and help us beat those pesky TrekSoc-ers!

Episode 9

Sunday 23rd February, 7:10pm, Lecture Theatre, Mansfield College

Come watch episode 9 of the new series with us live on a big screen (if you haven't had enough of us after this packed week)!

WEEK

6

Vengeance on Varos & Committee Elections!

Thursday 27th February, 8pm, Seminar Room, Corpus Christi College

Sixth week means Sixth Doctor, as we watch *Vengeance on Varos*. (Many say it's a classic!) When the TARDIS runs low on Zeiton-7, the Doctor and Peri are trapped on Varos, a world where the only entertainment is violence, broadcast live on television. The 80's were never subtle with satire. Can the Doctor bring down the ruling elite, as well as the capitalist Sil, before his own death is broadcast opposite space-Coronation Street? Stick around afterwards for elections, because we need someone to run WhoSoc for another year, and it could be your chance to put your mark on our 31-year-old-and-counting society.

Episode 10

Sunday 1st March, 7:10pm, Lecture Theatre, Mansfield College

Come watch episode 10 of the new series with us live on a big screen!

WEEK

7

Boomtown & Termly Meal

Thursday 5th March, Time TBC, Restaurant TBC

As is usual, Seventh Week is our termly meal, at one of Oxford's many restaurants and food joints, this time followed by *Boom Town*. The Doctor, Rose, and newly arrived Captain Jack stop off in Cardiff to visit Mickey, but their good time is ruined when they find out that the mayor is an old foe. As the Doctor takes them out to dinner, have they truly reformed? Or does a person's past define them forever?

WEEK

8

Randomiser: 4th Doctor 4-parters + Committee Meeting

Thursday 12th March, 8pm, Seminar Room, Corpus Christi College

WhoSoc wouldn't be WhoSoc these days without a randomizer, and we're returning to the well of stories we'd never otherwise watch, by picking a random 4th Doctor 4 parter (No guarantee of the 1980's sadly). Join to watch Tom Baker do some distinctly Tom Baker-y things, perhaps accompanied by Liz Sladen, Louise Jameson, Mary Tamm or Lalla Ward, and stay for our committee meeting afterwards, where we decide what we're watching next term!
